## MOOCs and Open Education Around the World

Edited by **Curtis J. Bonk**, Indiana University, USA, **Mimi M. Lee**, University of Houston, USA, **Thomas C. Reeves**, University of Georgia, USA and **Thomas H. Reynolds**, National University, USA

*MOOCs and Open Education Around the World* explores and illuminates unique implementations of MOOCs (massive open online courses) and open education across regions and nations. The book also focuses on the various opportunities as well as the dilemmas presented in this age of technology-enabled learning. What are the different delivery formats, interaction possibilities, assessment schemes, and business models? What are the key controversies or issues that need to be discussed and addressed? This edited collection explains MOOCs and open education trends and issues in a variety of locales, shares key research findings, and provides practical recommendations for the near future.
