

Pre-session Activity Professor Curt Bonk (Warm-Up)

- 1. How are you using blended learning activities or ideas in your classroom? If so, where or how?**
- 2. What activities do you use to foster critical and creative thinking or collaborative learning in general? How do you try to foster student motivation? Do any of these activities involve technology? If so, such as...?**
- 3. Are you currently using any shared online video resources in your classroom (e.g., YouTube, CNN video, BBC News and Video, National Geographic Video, SchoolTube, TED talks, TEDEd, etc.) or other free online content? If so, what is it? And what worked the best or was the most successful so far?**

Now, go to the Bingo card and write down some of these ideas.
