

Pre-session Activity Professor Curt Bonk (Warm-Up in a wiki)

- 1. How are you using blended learning activities or ideas in your classroom? If so, where or how?**
- 2. Have you ever flipped your classroom instruction by having your students watch online video (i.e., lecture) content or listen to a podcast prior to coming to class? If yes, how or in what subject areas?**
- 3. How are you currently using shared online video (e.g., YouTube, CNN video, BBC News and Video, National Geographic Video, SchoolTube, TED talks, TEDEd, etc.) in your classroom? If so, what worked the best or was the most successful?**
